

CONSTRUCTION NOTICE

Sewer Repairs & Rehabilitation Pre-Construction Video

Lining Work / Newington

In **72 hours***, the Metropolitan District (MDC) and their contractor, **Insituform Technologies, Inc.**, will be working in your neighborhood to begin the repairs and rehabilitation of the sanitary sewers. Prior to the start of construction the Contractor will be utilizing **Wayne Fleming Video and Photography, Co.** to perform the preconstruction video documentation of the area. This video work will be performed along the sidewalk and street areas, including work along the MDC's sewer easements located adjacent to or behind the homes. Areas designated for the video work are **Main St. / Rte. 176, Lowrey PL., Northwood Rd., Ivy Ln., Forest Dr., Cheney Ln., Alandale Ln., Goodale Dr., and Cedarwood Ln.** areas. For additional information please visit www.themdc.com

Normal Work Hours will be from 7:30 AM until 5:00 PM.

You will receive further notifications as the work progresses.

****In the event of inclement weather, work times and schedules are subject to change.***

If you have questions or concerns, please contact:
Chris Coyle, CDM Smith's Field Engineer at (860) 416-2629 or
The MDC's Command Center at (860) 278-7850 ext. 3600

As always we thank you for your patience and cooperation
